

## ENGAGEMENTS WITH POLICY MAKERS

Output indicator

---

### Indicator Phrasing

**INDICATOR PHRASING:** The number of policy makers met or engaged with

### What is its purpose?

Demonstrates influence - total number of policy makers and decision makers at each meeting.

### How to Collect and Analyse the Required Data

Keep a tally of policy makers and decision makers at each meeting you organise.

### Disaggregate by

This does not tend to be disaggregated. It is easiest to count decision makers and policy makers together.

### Important Comments

None.
