

## NUMBER OF PEOPLE TRAINED AS TRAINERS

Output indicator

---

### Indicator Phrasing

**INDICATOR PHRASING:** Number of people trained as trainers in peacebuilding

### What is its purpose?

To track the number of people that have been trained as trainers in conflict transformation, peacebuilding, gender or other sector

### How to Collect and Analyse the Required Data

Course records and course photos

### Disaggregate by

Gender and age group as standard although additional social identity markers may also be used

### Important Comments

Within peacebuilding, trainers will have completed the full 10 day training of conflict transformation trainers course - or similar. Those that have completed the 5 day conflict transformation course (called activists) can be 'upgraded' to trainer status if they have been observed by a trainer co-facilitating a course or a series of community conflict transformation dialogue sessions to an acceptable standard.
